

SCANNY3D®

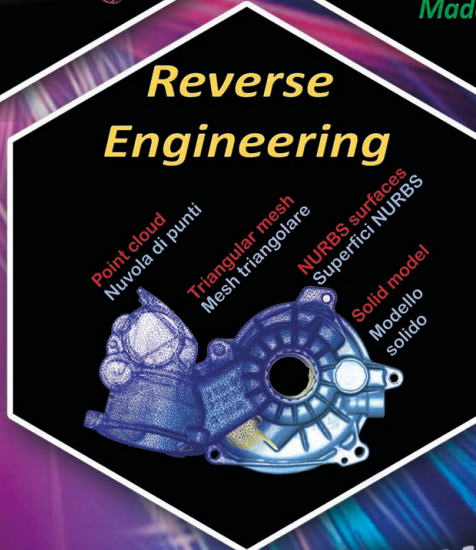

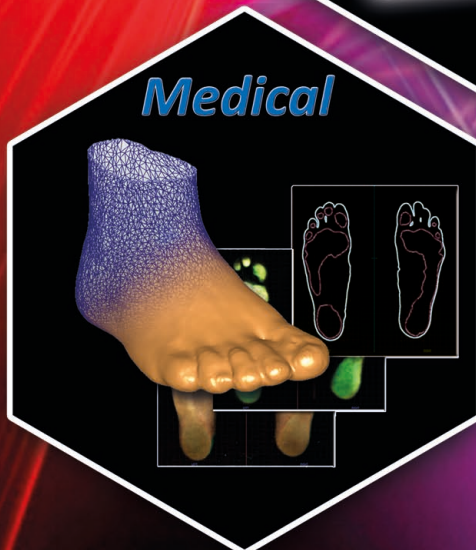

3D laser scanning systems

Our technology...

3D laser scanners
 Hardware & Software solutions **R&D**
 Augmented reality **3D Colour scanner**
Custom Software High resolution
 Rapid prototyping **Reverse engineering**
CAD-CAM systems Software for industry
 E-commerce **Quality control** High speed
 Medical applications **Customization** Versatility
3D models Service Development
 Scanning systems **3D simulation**
 Customer care Vision Systems

Made in Italy
